Dated: 12th July 2019

Dear Grey, Harry and Philip

Intellectual Property Letter (this 'Letter')

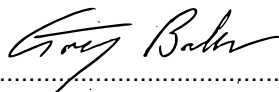

Having created software code and/or materials that relate to the business of the Company and its 'Dependabot' software (the "**Work**"), in consideration of £1 (receipt and sufficiency of which is hereby acknowledged), with full title guarantee I hereby assign (and in the case of copyright by way of a present assignment of future copyright) to the Company absolutely all right, title and interest in and to the Work and the intellectual property rights therein of all kind and throughout the world. For the avoidance of doubt, I also waive all moral rights that I may have in any part of the Work.

I agree (at the request and expense of the Company) to do all acts and execute all documents which may be necessary to confirm the title of the Company to the Work and all associated intellectual property rights assigned.

This Letter shall be governed by the laws of England and Wales and the parties submit to the exclusive jurisdiction of the English courts.

Signed by Grey Baker
for and on behalf of **Dependabot Limited**
